Tariq!
I don't have much time.
I have a charity game in an hour.
What is he doing here?
Ah... why is he so beautiful?
Surely Percy did not advise you to wear this to the meeting?
Or is that sad outfit supposed to be a plea for the sympathy vote?
ドコン!

I c-can't imag ine why you should think that.
Well..
Can you do me that favour?
Despite having a connection with me, even the king is not above the law.
Adrien has already been judged by the law.
To re gain his freedom,
Adrian only needs to pay back his creditors
It seems hard for you, so I will do the favour.
You and Percy will be there, right? You make making money look so easy
You need to look good and set a money mak-ing trap.

I didn't know what Percy was doing
Why won't you believe me?
Plus you trampled on my heart with a false proposal!

We can't stand the sight of each other, so why bother?
There's no point causing drama between us

Wait, listen to me!
Adrien has a weak body! And his has a baby in London.
Why can't he serve in England?

HAREM?!
Yes
What?!
I can give him his freedom,
But.
Only if you come and live in my Harem
In my Palace.
All you have to do is wait for me, think of me, and I will bless you.
Until then, you are nothing

Shojo Manhwa Scans

What the hell did you say? I'm nothing?! And you're suggesting Harem?!
Yes
If you can marry for money then you're surely willing to sell your body
I won't force you, the decision is yours.
If you want to reject my offer, you can leave.
I'll have you driven to the airport.
If you accept,
That blue gate is the entrance to Harem.

Shojo Mahwa Scans

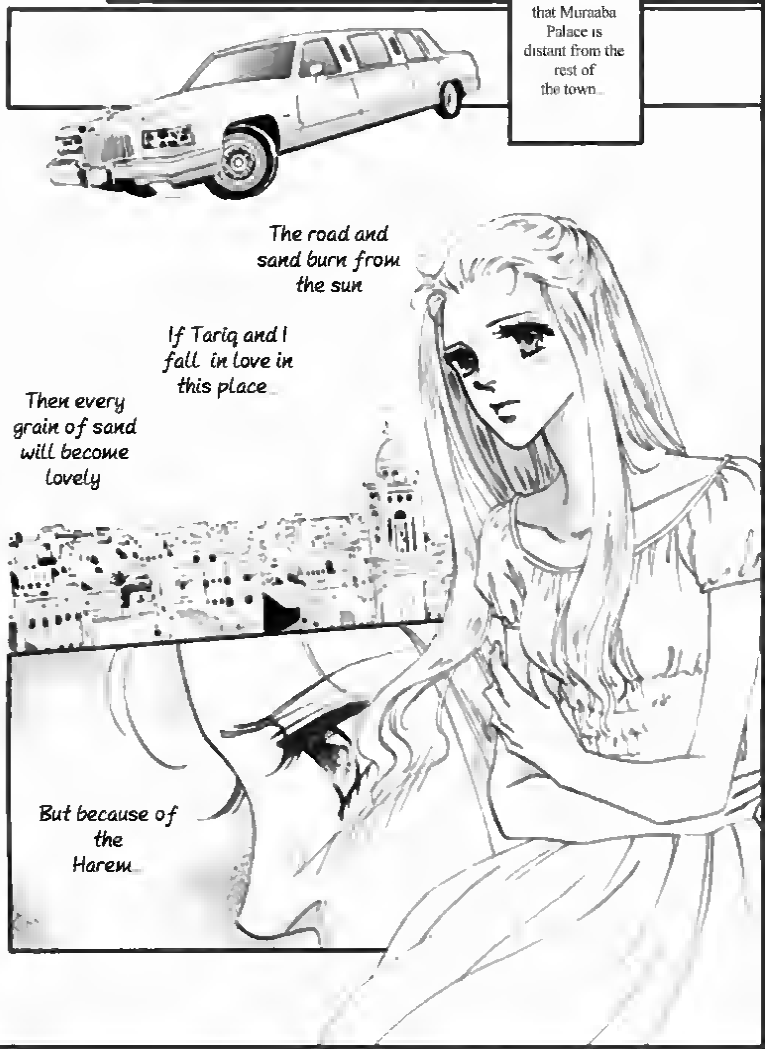
The
Blue gate !
Harem...
Does it really exist?
Does Tariq live there and will I still love him? But none of my things are here...
A harem is no joke
Phone call...

Sheik Alpenhaus Sensei
ADRIEN HAS BEEN RELEASED!
HE WAS SEEN WITH A WEAK LOOKING WOMAN!
Percy..
He's not a man of dignity
I'll leave the phone on the bed at the hotel room.
Hm..
Harem..

Shojo Manhwa Scans

Your pranks have gone too far
Do you remember what happened a year ago?
how much affront I had to suffer?
because that girl
yes..
What do you want to say?
Lateef?
I just want to take back some of the light.
really ..I said enough

Shojo Mangaka Group



I heard that Muraaba Palace is distant from the rest of the town...
The road and sand burn from the sun
If Tariq and I fall in love in this place
Then every grain of sand will become lovely
But because of the Harem...

Take note of your surroundings
Don't feel ashamed by anyone
Even the language is not familiar
We've been waiting for you, Miss Faye
I am Myra.
I am Sarin.

Eng-lish?
We will take care of you.
AH! AH!
What??
Please forgive us
DARN IT..
GET IT?!
A whip?!

Shoujo Nijushiseiki Gaiden
NOW LAY DOWN!
I AM A PRINCE, WHO ARE YOU?
Prince?!
Tariq has a younger brother?
AH
What are you doing? Stop this violence!
Or maybe No way! His son?!
We are his nannys
It's our fault.
Prince or not, you can't raise a whip to anyone!
Why won't you obey me?
I am Rafi Even Zahk.

Shoujo Manhwa Scans

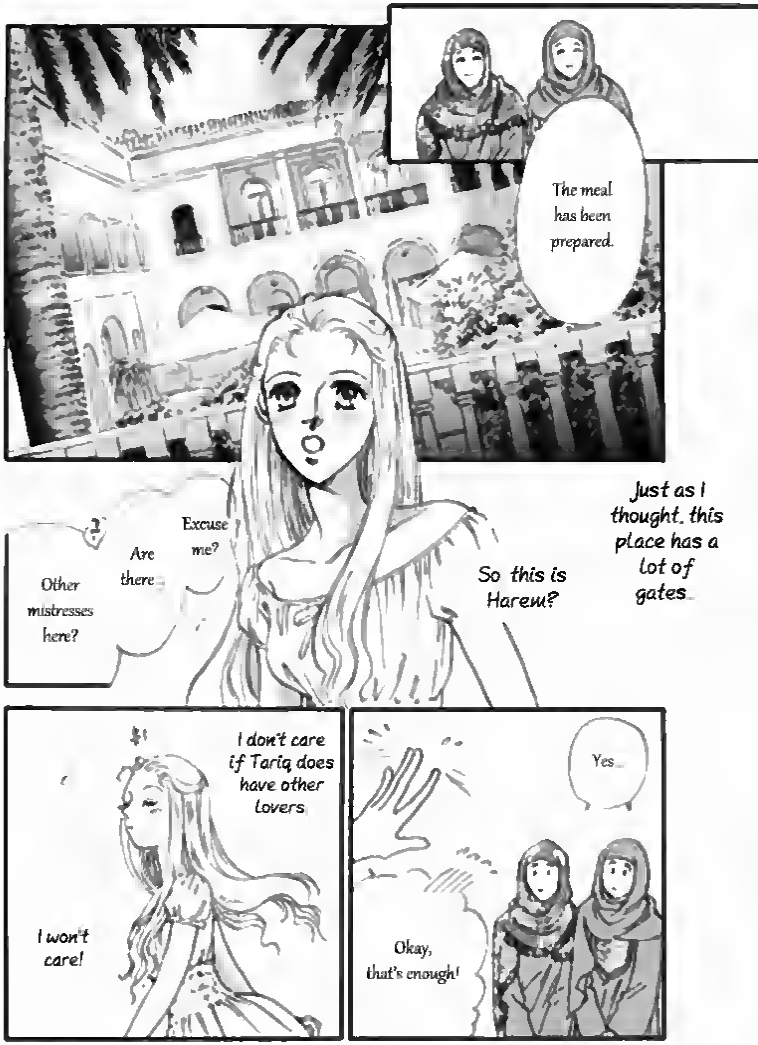
Why are you doing this to me?
Why?
He's a violent prince who doesn't know how to talk.
Let me down, idiot!
If you don't apologise, I won't let you go
Idiot!
Hate it!



The meal has been prepared.
Just as I thought, this place has a lot of gates.
So this is Harem?
Excuse me?
Are there...
Other mistresses here?
I don't care if Tariq does have other lovers.
I won't care!
Yes...
Okay, that's enough!

Shojo Mangaka Scans

First, I'll need a map.
Where is the library?
I really need to check this place out!
We have good stables where horses live well in England!
Yes!
Yes? The Stable?
I want to explore
Make sure you leave before dark.
Food,
Passport and water,
And more suitable clothing

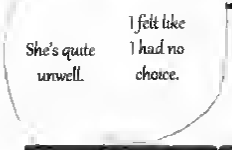
Shh!
I don't mean any harm, I'm just visiting for a while.

Delilah and I are different.
You're beautiful.
You're well taken care of, aren't you?



She's qute unwell.
I felt like I had no choice.

Do you know where we're going?
Why?
Going into the desert?
Are we ..
Woah..

Sorry, I need to borrow you for a while!

Ya! Wait!
This is the wrong way!
